THE TRUTH ABOUT DOUGLAS MACARTHUR

Just six months ago, I heard, with my own ears, a U. S. Admiral tell me the most frustrating story I ever heard. I simply couldn't believe it at the time. But I do NOW!

General MacArthur was SILENT and failed to warn America of TREASON, -because he got sucked into the same damnable Jew lie so many "conservatives" are STILL believing, that Adolf Hitler was a vicious, evil man bent on destroying America!

General MacArthur, being no politician, understood nothing of the insane determination of the Jews to get a world-war going against the Germans, who got wise to the Jews and threw them all out.

This is precisely what is set forth in the protocols, "If any nation rise up against us, we will bring down upon that nation the enmity of the whole world and destroy that nation".

I believed the Jew propaganda that Hitler was out to conquer the world, because I never read the REAL facts about Germany or the actual words of Hitler. I left Brown university to go and fight this "monster", not knowing any better.

Douglas MacArthur, in spite of all his knowledge and experience, BELIEVED THE SAME THING.

Believing that, MacArthur WENT ALONG WITH FRANKLIN DELANO ROOSEVELT IN THE MOST MONSTROUS BETRAYAL OF ALL THE SACRIFICE OF THOUSANDS OF AMERICAN LIVES AT PEARL HARBOR.

Roosevelt told his inner circle that Hitler was too smart to attack the USA, and the people of the USA would never consent to attack Hitler. This was 100% TRUE! But the Japs were not so smart. They could be GOADED into attacking the USA, if it were properly SET UP.

But exactly as planned in their Protocols, the Jews HAD to get a "universal" war going against the Germans who had risen against them. And to do it the USA HAD to be sucked in. And to do that, they HAD to get the Japs to attack and DRIVE our people into war, precisely as set forth in Theoblad's masterful book, "The Final Secret of Pearl Harbor".

Unfortunately, however, Theobald did not really have the "final" secret of Pearl Harbor.

The FINAL secret of that black day in American history is that many GOOD men, men like Douglas MacArthur, were sucked into this treason and betrayal BECAUSE OF THE REFUSAL OF AMERICAN PATRIOTS TO FACE THE TRUTH ABOUT ADOLF HITLER AND HIS FIGHT AGAINST THE JEWS.

If Hitler really WAS as bad as most "conservatives" are now pretending, then Roosevelt and his Jew friends were JUSTIFIED in doing almost anything to "get" him, --including using Americans for BAIT. (That's PRECISELY what Roosevelt DID at Pearl Harbor, as all patriots know, by now.)

If Hitler was NOT a bad man, but fought the Jew liars, Christ-killers and terrorists, Just as did Christ before him when He went into the Jew temple and drove them out with a whip, --then any

body who went along with Roosevelt's sacrifice of almost 4,000 Americans at Pearl Harbor, is guilty of constructive TREASON!

MACARTHUR KNEW! He KNEW!

THAT is what the Admiral told me, right here in Arlington, Virginia! Douglas MacArthur dared not cross the vicious gang in Washington TOO much because they could show that he was IN on the filthy Pearl Harbor scheme.

It makes a kind of nightmarish sense. Once Douglas MacArthur had been sucked into that "get Hitler" villainy, even at the cost of American lives, using treachery, lies and deceit, then he was HELPLESS to blast the liars, because they could then blast him back as ONE OF THEM!

The situation is the same today with the so-called right-wing "leaders" who are, like Judas, denying the very Jewish guilt for which both Christ and Adolf Hitler DIED, and damning the TRUTH!

Our "right-wing" will be HELPLESS, as was MacArthur, as long as it continues to pretend to believe the JEW LIES that Adolf Hitler was a "bad man". It was the same, filthy gang that said CHRIST was a "bad man" and had him CRUCIFIED.

It is impossible for me to understand how good Christian patriots, like Elizabeth Dilling, for instance, can blast Adolf Hitler and men like myself, and PREACH THE EXACT SAME LINE USED BY THE PHARISEES AGAINST CHRIST, MACARTHUR, McCARTHY and any other hon est American patriot who dares to FIGHT Jew treason!

Would to God what happened to Douglas MacArthur could be the LAST lesson to White, Christian patriots to QUIT BETRAYING EACH OTHER by believing JEW LIES!

JEW DRAMA

Without any doubt, the absolute WORST TV show ever put together is, or was, "East Side, West Side".

The first episode I saw showed the "hero", a "social worker" and his nigger-girl assistant ram two nigger families into a nice White neighborhood. All the players, producers, writers and directors were, of course JEWS, (with the exception of the niggers. Even the Jews still haven't discovered any way to replace niggers with Jew actors, -except for Sammy Davis, jr.)

The whole series is the distilled essence of Jewish VILENESS, race-mixing and hate. It also reeks of the Jewish defeatism which betrays itself in the Jewish religious wails and moans of self-pity, always in a minor key.

The hero of this horror is given the usual Anglo-Saxon name, (Niel Brock), even though his face and actions are Yiddish. His nigger-girl assitant is not only black, but she is a typical, emancipated, arrogant "modern" woman with her hair all cut off and an authoritative manner of a Soviet woman judge.

But, with typical Jew idea of "drama", the usual refusal of the Jew to believe in individualism and especially heroism, the "hero" is an utter FLOP. He can't even INTEGRATE well. Mr. Brock comes out of all his struggles WHIPPED!

The theme of every second of this alien horror is that there is no sense struggling against environment, that people are all "victims", helpless victims, of crushing environment.

David Susskind, the Jew, is the impressario of this social "eli-eli". If people ask why so many Americans are "anti-semites"-why they "hate" Jews, tell them to watch "East Side-West Side". This show, I am convinced is the SINCERE effort of these Jews to portray life as THEY THINK it IS! -Garbage buckets, piles of cold vomit, drunks, nigger dopists, endless filth and hopelessness, city filth, noise, etc etc. The fact that the Jews are SINCERE in presenting this unspeakable perversion as "life" indicates to me that they are crazier than I have already discovered. East Side-West Side is a dramatic presentation of the Jewish SOUL, --the Jewish view-of-life.

And, in spite of huge budgets, ballyhoo and in spite of all-oute aid from all the "kept" critics, East Side West Side had to be hauled off the air!

This Jewish atrocity, even with all the pushing of money and other Jew press-agents, is too JEWISH for OUR people to be able to stand it! They just won't watch this awful thing!

Perhaps this will give the Hebrews a glimpse of what's ahead for them all if they keep up their infernal, insane Jewish PUSHING. Nobody WANTS them or their damnable pushing, integration, wailing, social agitation, etc. When they put it on their TV, the American people CANNED it.

The American people will soon CAN these alien, crazy, mixed-up Jews as soon as possible. Our people wait only for unity and leadership. And we are supplying that.

BLACK HORROR CLOSER

The famous Hanson Baldwin, in the New York Times, reported that officers are resigning at a rapidly rising rate from our Armed Forces as a result of what he calls "low morale". Already the rate has gone up 200%!! And the men who are leaving are the BEST!

After almost twenty years as a Naval Officer, I can testify to the fact that he is right, -but that he failed to tell the whole story!

What he did NOT tell is that it is the "civilian" (communist, jew and pinko) control of professional military men in military matters, insane doctrines of "equality" and "democracy" which emasculate the dignity and authority of officers, --and, above all, the mass influx of NIGGERS and NIGGER OFFICERS which is driving the good men out of our sorely pressed services.

As I wrote in earlier ROCKWELL REPORTS, our Armed Forces are becoming BLACK faster and faster. Just as Whites move out of a neighborhood when the blacks move in, so the Whites are pouring out of our Armed Forces as the Blacks move in and get favored treatment and pampering.

The AIM of the Communists who are promoting this sedition is a mighty army of BLACKS, armed with the frightful weapons of modern warfare. No Courts, Consitution or anything else will save us from Communist and nigger revolution, WHEN THE ARMY IS BLACK, WITH BLACK OFFICERS!

Already, this week, this treason gang is developing "counter insurgency" weapons and aircraft to deal with pockets of White Resistance. What the Minutemen and others like them WILL not face is that modern weapons and techniques make "guerilla" resistance against a whole modern Army, Navy, Air Force, etc. RIDICULOUS! Only a few atom-bombs dropped on guerilla "strong-holds" would WIPE THEM ALL OUT! And does anybody actually believe that the villains planning what's ahead hesitate to kill hundreds of thousands or even millions to wipe out any "guerillas"?

The time to FIGHT is NOW! --while we can still get some justice in the Courts, while there are still some loyal officers in charge of our Armed Forces, while we can still win at the ballot boxes with a MASS MOVEMENT.

No man who hasn't got the GUTS to NAME the enemy TODAY will have the guts to face a huge tank with "Minuteman" rifles and grenades tomorrow. Those who are too afraid of losing their jobs and their MONEY to fight the Jews NOW will be willing to lose their LIVES fighting later, even if they had a chance. But they Will NOT have a chance later. The Army will be, for all practical purposes, BLACK and RED in three or four more years. If we can't get organized to fight and win POLITICALLY before then, it will be too late.

THE CURSE OF JEW GOLD

Spain exists as a Christian, anti-Communist country ONLY because Adolf Hitler and Benito Mussolini sent brave fighting men to KILL the Communists of the International Brigades and install General Franco.

Mr. Franco then refused to let Hitler use Spain as a Christian base against the Bolsheviks, because he was a "smart politician".

For his pains, the Jews did everything in the world to destroy him, but never quite made it.

Now Mr. Franco, like an old and toothless lion, is looking on with a foolish old gummy grin while his old enemies slip quietly back into positions of power. The Zionists are BUYING Mr. Franco with Jewish GOLD, as they have been doing all over this earth, and the reward of the Spanish people will be that they will some day soon have to fight the Spanish Civil War all over again!

"WAR ON POVERTY"

"Civil Rights Revolution" plus "War on Poverty" Equals COMMUNIST REVOLUTION

Last Summer, during the nigger hell-raising, the Worker and its black agents never tired of pointing out that, to be effective, the "civil rights" revolution must "broaden its base" to include ALL "exploited" people and classes. The coons are just the entering wedge; the easiest gang to inflame to street violence. The next step, the reds boast, is to get ALL the "poor" workers into the streets with the niggers.

Johnson, just as he obligingly installed Warren to investigate the assassination after the Worker demanded it on November 26th, is now obliging the Worker gang again by "broadening the base" of the nigger revolution by including the "poverty revolution".

Meanwhile, the "conservatives" are still all wrapped up in "individual" and "states'" rights.

It will be interesting to see Mr. Welch, like king Canute before him, standing before the black and "proletarian" tide pouring through our streets, commanding it to recede in the name of the Constitution, "State's Rights" and "Individual Liberties".

THE FRANK-FURTER PLAN

You've got to give the Jews and reds credit.

Unlike the right-wingers, they do NOT keep stumbling over the same rock in the pasture.

When Felix Frankfurter first got on the Supreme Court, his decisions were uniformly and predictably RED. It looked bad for the Jews, and it was great fun for "anti-semites" to point out just how red this Austrian Jew WAS.

But then Roosevelt, Harry, Ike and JFK kept loading the Court more and more with Gentile "Franfurters" --non-Kosher "Happy Hot-Dogs" with the pure kosher FLAVOR! Black, Douglas, etc.

As soon as Felix had a MAJORITY of this sort of honorary Hebrews on the Court, so he KNEW which way every key vote would go, Felix suddenly became a "conservative"!!!

This vile Jew, again and again, Voted AGAINST Douglas, Black, Warren et al. Franfurter always LOST, of course, in his dissenting votes, and the red measures went THROUGH.

Meanwhile, free for nothing, Jew Frankfurter provided the perfect answer to the charges that Communism is Jewish. Not FELIX, -no SIR!

The most recent decision on the Barnett case is another perfect example of how the SOB's work this swindle. When they were sure Barnett would NOT get a jury trial, because they had the votes to win, the red creeps all voted to give Mr. Barnett a jury trial and sanctimoniously groaned about loss of our American liberties, etc.

"POLITICIAN II"

I am reading Welch's "The Politician" for the first time. It is one of the greatest books I have ever read. NO intelligent person can read that book and fail to agree that Dwight Eisenhower IS, or WAS, a "conscious agent" of the Communist conspiracy!

Welch makes a smashing hypothetical case for the Communists SENDING A PLANT OVER TO OUR SIDE WHEN THEY KNEW TRUMAN HAD "HAD IT".

Today, the reds have "had it" again. And a NEW and more POLISHED "Ike" has been sent over to do the same filthy job; GOLDWATER, --this time even an actual JEW with a liberal record!

And this time, Welch is FOR the faker!

Beats me!

After Goldwater is elected in "68, as I think he will be, Mr. Welch will doubtless write "The Politician, II". He and I can discuss it together in the salt-mines of Siberia or perhaps the gold mines of Africa.

MORALS & SHAME

Liberals never tire of belittling our cries of alarm over the deteriorating morals of our times. When we point to the armies of queers, the sexual looseness even of sub-teens, the development of criminal mobs of teenagers, etc, the creeps always simper, "Yes, but it was ALWAYS thus. There have always been queers and grandpa slipped out for a little sneaky sex every once in a while, too. They just HID it in those days. We're simply more HONEST. Things aren't really any worse, we just ADMIT things more, now."

And that's just the point of morality.

Everybody is likely to slip, even the most decent person in the world.

The difference between the decent person and the armies of immoral creeps of today is that our granpas and grandmas were ASHAMED of their peccadillos and HID them --and tried to prevent the slips as much as possible.

The vicious thing about today is the Jewish psychiatric doctrines that it is "evil" and

"harmful" to "repress" our "needs" to do immoral things. It is the atmosphere of LICENSE bred by Jewish "liberalism" which encourages todays teenage KIDS to DO what our grandfather was scared and ashamed even to THINK about.

It is not license and orgiastic behavior which is healthy in society, it is RESTRAINT, discipline and SHAME.

Who has no shame cannot be moral.

And there is no creature on the face of the earth with such monumental LACK of shame as a JEW! They are spreading this awful desease into our kids and whole people in the name of "mental health", Freud and psychiatry.

"30" ..."THE END"

In journalism, the figure "30" is placed at the end of each separate piece to show the typesetter there is no more, that it is the "finish".

The other day, idly examining the big globe in my room, I noticed something I have never seen mentioned before involving that figure "30".

Look at a globe yourself, and you will see what I mean. Almost without exception, ALL decent human "civilization" will be found North of 30 degrees North Latitude, -and SOUTH of 30 degrees South Latitude! In the center 60 degrees on both sides of the equator will be found almost nothing but niggers and mongrels. Only a tiny bit of Texas and a small part of decent Australia and Florida project into this band and are White. The swine of the world are concentrated in this "30" band of our planet. And, if the small minority of us White people don't soon DO something about it, this band of black and mongrel human garbage will write "30" to the story of civilization.

SEARCHING FOR LEADERSHIP

A recent article about Brazil says that the Brazillians are "searching" for "leadership"!

It is a sad indication of the stupidity of our times that a writer can get away with such madness and foolishness.

No leader in the history of the world was ever "found" by searching, any more than a wolfpack "finds" a leader by conducting a "search".

A REAL leader fights and DRIVES his way to the top. NATURE alone "discovers" leaders, and She does it by one method alone, COMBAT and competition. Any "leader" who is "found" and hauled up to a position of power will soon sink by his own weight back into the mediocrity from whence he was hauled, -or else he will drag the whole group he is "leading" down to a level of his own mediocrity, --which is precisely what is happening in our American "democracy", -and ALL "democracies", where Jews "discover" and promote "leaders" like Kennedy, Johnson, FDR, Goldwater, Scranton, Lodge and all the rest of our millionaire playboy "leaders". America will not be led until a REAL leader FIGHTS his way up from among the PEOPLE, and gains the leadership by the verdict of NATURE, by his excellence alone, as did Adolf Hitler!

Adolf Hitler put it succintly when he wrote, "Great men do not have to be 'announced' in history. Great men have a way of announcing their own arrival".

WHEN WILL IT END?

I have never, in three years, written and rewritten a ROCKWELL REPORT so many, many times and thrown away so many tens of thousands of words wrenched out of my heart.

Regular readers will recall that the last REPORT was an all-out plea for the unity we so desperately need if we are survive. I pledged to forget old quarrels and hurts and take the hand of all good men and women who have been fighting so hard for our White, Christian America. I specifically went to some lengths to make peace with Ed Fields and hoped he would accept the hand of friendship.

Even as I was writing these words, Fields was preparing a new attack which he published in his last issue that I am a "PIMP" for the FBI. His article ended with the calculating remark that all who send us here any help are facing exposure to the Jews and loss of their jobs! The aim was clear.

I am used to being hurt in this movement. It seems to be the very ESSENCE of it, to have to defend yourself not only from the enemy, but from those on your own side, even those whom you have loved and trusted. Most of us have had this experience.

For days and nights, I have been writing long and impassioned polemics hoping to straighten out

these awful lies people keep telling about each other, and setting forth the facts in the matter.

But I have crumpled them all up, literally dozens of pages, and flung them away. If we are to have any unity, SOMEBODY has got to quit rising to the bait. Somebody has got to hold his temper and accept a hurt to get the feuds stopped.

At the same time, I recognize that there may be some who are taken in by first Field's lies that I am working for the Jews, --and now this, that I am working as a "pimp" for the FBI.

So I have decided to hold my tongue and my pen, -and see what YOU think, first.

I ask YOU to let me know YOUR feelings on this. Do you want me to "tell my side" and attack Fields back, as has been going on for years in our tragically divided Cause? Do you think people really believe that I have given up as much as I have only to sell out my friends and turn "rat" as Fields says in his article?

If there are enough people who truly believe such stuff, I will have to protect myself from the inevitable charges that I "CAN'T" answer and am ducking the question. I will publish all the facts about Fields' wretched story. But I would rather let the matter drop and put my effort, -and this ROCKWELL REPORT, into a fight against Jews, niggers and the rest of the vermin, rather than a fellow right-winger, who, in spite of this vicious attack on me, is doing a pretty good job.

Finally, I will make Fields the same offer I have so often made the liberals, Jews and creeps who always claim I am a liar, etc. Let him meet me before an audience of HIS friends, in open debate, if he wants to keep this damnable lying up. I will prove to HIS friends, who are good people, that Edward ...--no, I will not say it, --that's what I have been writing and throwing away so often.

Let's leave it at that. If he wants more of the insane quarreling between OUR side, then let's get it ALL out in the open, in public, where we can each have our say, before HIS people.

I cannot do more than that.

SOCIAL INJUSTICE

It is too bad more patriots could not get thrown in jail once in a while. It is miserable and shocking and painful, but it is an enormous education in REALITY which a lot of "cream-puff" conservatives need.

The ordinary, common working man in our Country is pitifully helpless when he gets mixed up in the toils of the law. I have seen men in every jail where I have been who were later proven INNOCENT, --and they were sitting in there MONTHS for lack of bail. It is a disgrace that Supreme Court Justice Goldberg and other "liberals" of his ilk are the only ones to pay any attention to this bail situation, while not one single conservative I have ever heard of gives much of a damn about the matter, -or even knows about it.

MONEY should have NO bearing on what happens to a citizen accused of a crime. Yet I know, as a poor man myself, how grossly unjust are the proceedings if you are poor. If you can afford the BEST lawyers, you can beat almost any charge. If you have NO money, you cannot beat almost any charge they care to throw at you, and you will rot in jail while the DA is digging up stuff to throw at you in the trial, because you have no money for bail.

Even worse is the situation of men who are released from prison after years of wrongful imprisonment when somebody else confesses to the crime for which they were convicted.

If such a thing happened to you, you would be dumped back on the street with perhaps ten or twenty dollars, -nothing more for all those YEARS stolen from you by a mistake of the State.

We shall fix THAT. The State should be forced to compensate a man at least $ 25, 000 for every single year he has been kidnapped and spent in the hell of a prison, if he was indeed innocent.

At the same time, we shall see that the guilty do not go free, as they are now, especially if they are niggers, whenever some Jew psychiatrist can be found to testify that the poor coon was suffering from agony caused by society not giving him a Cadillac and all the free wine he could drink.

SLEEPING JEWRY

We have found a new way to outwit the Hebes who control our news, TV, etc.

The luxury-loving Kikes like to loll around their pleasure-palaces on week-ends, and leave the "shop" at the paper or the studio to the peons, usually gentiles.

Thus, if we can arrange a "newsbreak" for a Saturday afternoon when the Hebes have gone off to their luxurious week-ends, the honest gentile employees, who are sincere newsmen and not aware that they are supposed to censor news which doesn't suit the Jews, let the story out before the Kikes can kill it.

Once, in the offices of the Washington Post, I found a delightful little memo to all hands ordering them to submit all stories on "Rockwell and his Nazis" which broke on the weekends to submit them before publication to the big cheeses first.

THE MOUTHS OF BABES

Taylor Caldwell is a knuckleheaded woman, married to a Jew, Marcus Reback.

She is a "Kosher Conservative", crazy about Jews, as might be expected. She is also as mixed up as it is possible to be. She wrote me a lot of wild and wooly letters full of typical Birch-ite ravings that I am a red agent, my wife is a red, etc etc. and sprinkled this "intelligence" with such statements as that the New York Times is NOT Jewish while the Daily News IS, and the Times is pinko while the News ain't, --that Sidney HOOK, the Jew Dewey-ite is a staunch "conservative" (NO KIDDING!) and a lot of other trash too stupid and way-out to repeat! I cannot resist mentioning, however, that she wrote me that most Jews are wretchedly POOR and have nothing to do with Communism!!!!

However, I've got to give the lady credit!

Way back in October, 1963, in a printed letter, Taylor Caldwell predicted the assassination of Kennedy! She correctly analyzed a lot of the ravings of the reds and pointed out that they were DESIGNED to inflame to ASSASSINATION of the President!

On the other hand, she could not resist adding that "agents provocateur", (that's ME, --I am her bete noire), -would LOVE such an event!

I wish Mrs. Reback could have been with me the evening of November 22nd when the threats were pouring in and it was doubtful whether we'd survive the night!
